

April 10 – 12, 2008 - - ( dates for 12<sup>th</sup> ) - - - GEAPS / IAOM –

## Great Lakes Regional Conference in Angola, IN.

Please mark these dates on your calendar. This is always a well attended conference in the Great Lakes area attended by both GEAPS & IAOM members alike. The list below high-lights a few of the things you will want to share with the other 165 – 200 participants at this great annual conference :

### Thurs. – April 10<sup>th</sup> ( 9 AM – 5 PM ) :

This “Pre-Conference” day will offer everyone a choice of ( 3 ) topics they can select from:

- Grain Quality
- Maintenance ( Bearings, Components & Gears )
- Bin Entry & Tech Rescue ( Regulations, review of problem areas, bin design parameters, & “hand on ” training with ropes and various types of rigging.)

### Fri. – April 11<sup>th</sup> . :

This full day will feature ( 8 ) educational sessions , including :

- New – NFPA 68 dust collector regs.
- Fumigation issues & products
- Track ( RxR ) Maintenance
- Ethanol Update
- DDG's
- Arc Flash Reg's.
- Steel Bin Design considerations
- Ag Employment needs

( 37 ) – Associates will sponsor the “Table-Top” area and popular – “Gong Show” .

### Sat. – April 12<sup>th</sup> . :

The morning will be dedicated to a two hour – panel discussion – on

Traceability issues, Food Defense & Facility Security, followed by a golf outing that afternoon.
